GEORGE RR MARTIN'S A CLASH OF KINGS

Song of Ice & Fire Makes Noteworthy Return to Comic Shops in 2020

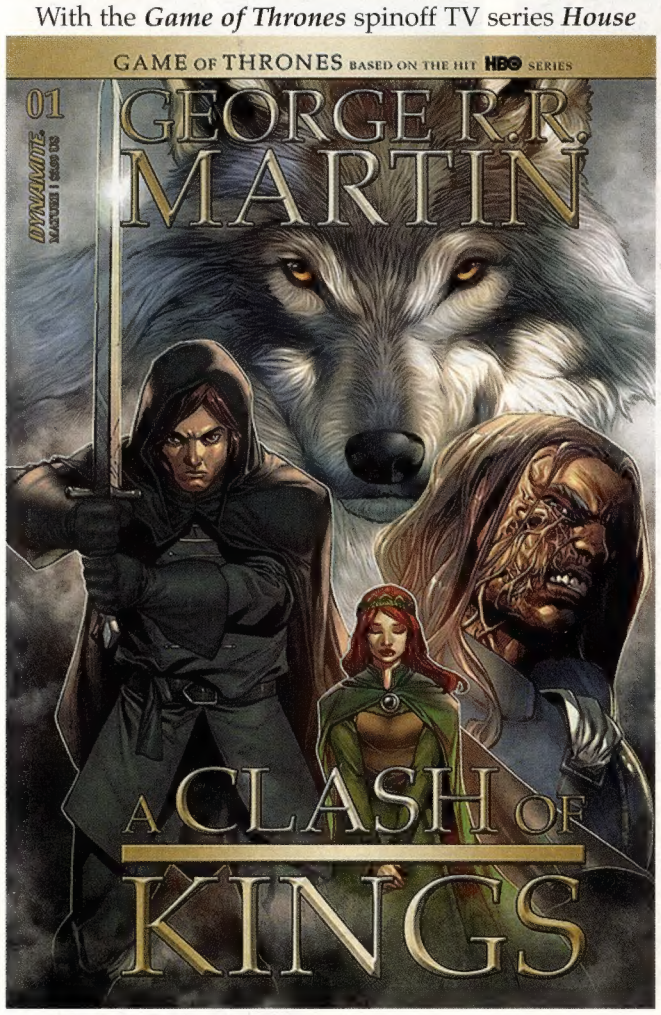
Game of Thrones may have wrapped its HBO run earlier this year, but *George RR Martin's* many fans can still enjoy adaptations of Martin's work. In order to do so, however, they'll have to say goodbye to the televisions and hello to comic shops!

George RR Martin's A Clash of Kings #1, launching in early 2020, continues Dynamite's adaptation of Martin's 1998 novel, the second in the ***Song of Ice and Fire*** saga. The comic series begins with Catelyn Stark and Brienne of Tarth on the run, while Tyrion Lannister has settled in with his new paramour Shae. Meanwhile, Arya Stark is still held in Harrenhal as other key players move around the board.

"As we head into the second half of this adaptation, I believe we will see some of the strongest work on the title to date," writer *Landry Q. Walker* said. "We are on the precipice of some of the most pivotal scenes set in *George RR Martin's* ***A Song of Ice and Fire***—Danerys' exploration of the House of the Undying, the Battle of the Blackwater, and much more. Breaking this novel down word by word, chapter by chapter, you really get a sense of how meticulously layered the work is, and how the tension between these warring families slowly spirals out of control. Bringing those story beats to their climax, and having the privilege to help guide the visual interpretation of one of the most popular fantasy series... it's an experience beyond description. I can't wait to share that experience with readers."

"An amazing story continues in this ***Clash of Kings*** volume," artist *Mel Rubi* added. "I'm thrilled to be back along with my fellow creators as a perfect team. We are at a point where the entire team brings the collective weight of two years experience on this series, and I think that shows in my art and that of my collaborators. This will surely be one astonishing series!"

With the ***Game of Thrones*** spinoff TV series ***House of the Dragon*** not airing until the second half of 2020 at the earliest and the next novel still unfinished, ***A Clash of Kings*** will be the only authorized major media offering for Martin's legions of fans. The first issue, scheduled for January 29th release, will be offered with covers by *Mike S. Miller, Mel Rubi, Stephen Segovia,* and *Butch Guice*, as well as a 1-for-10 Rubi virgin variant, a 1-for-20 Rubi black-and-white variant, a 1-for-30 Miller virgin variant, a 1-for-40 Segovia black-and-white variant, and a 1-for-50 Guice black-and-white variant, as well as $50 Guice and Segovia virgin variants.



Welcome to the Not-Too-Distant Future!

2020 is *almost* here... but when Marvel first introduced the world of 2020 back in the 1980s, it seemed pretty far off indeed (even farther off than the era of ***2001*** and ***Bladerunner***!).

With Iron Man 2020 making a comeback in his very own miniseries next year, Marvel is gearing up for the arrival of 2020 with a whole series of 2020 variants beginning in December, featuring near-future takes on some of Marvel's best-known characters. The initial wave of variants will include:

- ***Amazing Spider-Man #35*** – 2020 variant by *Dave Johnson*
- ***Avengers #28*** – 2020 variant by *Ema Lupacchino* with colors by *Jason Keith*
- ***Black Cat #7*** – 2020 variant by *Oliver Vatine*
- ***Black Panther and the Agents of Wakanda #4*** – 2020 variant by *Pasqual Ferry* with colors by *Chris Sotomayor*
- ***Captain Marvel #13*** – 2020 variant by *Kris Anka*
- ***Daredevil #14*** – 2020 variant by *Skan*
- ***Daredevil #15*** – 2020 variant by *Ryan Brown*

- ***Doctor Doom #3*** – 2020 variant by *Patch Zircher* with colors by *Morry Hollowell*
- ***Fantastic Four #17*** – 2020 variant by *Khoi Pham* with colors by *Morry Hollowell*
- ***Guardians of the Galaxy #11*** – 2020 variant by *Dave Johnson*
- ***Guardians of the Galaxy #12*** – 2020 variant by *Tom Raney* with colors by *Chris Sotomayor*
- ***Immortal Hulk #28*** – 2020 variant by *Dale Keown* with colors by *Jason Keith*
- ***Miles Morales: Spider-Man #13*** – 2020 variant by *Rahzzah*
- ***Spider-Man #4*** – 2020 variant by *Will Sliney* with colors by *David Curiel*
- ***Tony Stark: Iron Man #19*** – 2020 variant by *Larry Stroman & Mark Morales* with colors by *Jason Keith.*
- ***Valkyrie: Jane Foster #6*** – 2020 variant by *David Nakayama*
- ***Venom #21*** – 2020 variant by *Khary Randolph* with colors by *Emilio Lopez*

And that's not all! More 2020 variants are on the way—and you'll hear about them soon in ***CSN!***
